Re: United States v. James Stanford
Case No.: 08 Cr. 293 (LAK)

680 (LBS)

Honorable Sand:

Today, September 3, 2008, this office was to notify Your Honor of our intention to file motions, if any, to the government's production of discovery; however we received the responses to our discovery requests from the government today. Please allow this letter to serve as a request for an extension of time to review the discovery provided by the government.

AUSA Arlo Devlin Brown, who is handling AUSA Arianna Berg's matters while she is on vacation, has consented to extend the time to notify the Court of our intention to file any motions until September 17, 2008. If it pleases the Court, the undersigned respectfully requests that Your Honor grant an extension until that time.

Very truly yours,

J Stewart Moore
